

PRA Chapter 40

Serving Southern Ohio, Northern Kentucky and Eastern Indiana

Welcome to the FALL 2008 Edition of the
PRA Chapter 40 Newsletter!

Sorry for the late notice and short newsletter folks!

At THIS Saturday's meeting we will be discussing meeting dates and locations for the winter, spring and next summers meetings.

If you want some meetings held near you please make your wishes known NOW!

Please bring your calendars along so we can choose the best dates for everyone.

I am going to check out the runway conditions at Humphries Field. Email or call me for a report if you want to fly in.

If you don't want to fly into the grass strip Clermont County Airport I69 is only a 1/4 mile away and I can give you a ride to the meeting (by air or car).

Doug Gaudette made his first solo in his Dominator recently and his solo photo just won 1st Place in the prestigious AVWeb photo contest!

Congratulations Doug!

More news at the meeting! Call or Email me or Randy with questions!

-Tim O
