

**April 2014**

*Brian Burke, editor*

## **NEXT CLUB MEETING**

**Date:** Saturday April 26, 2014

**Time:** 12:00 Noon

**Place:** *Lansing Airport Hangar D5*

**Agenda Topic(s):**

- Upcoming Club Events and Volunteers
- Good Neighbor Parade
- Club Trailer
- Club History
- Safety Tool Training

### **Club community Events**

**Lansing Good Neighbor Parade  
May 3, 2014**

**Clow Airport June 7-8, 2014  
Calvalcade of Planes**

### **We need a bench grinder**

Now that we have a Lathe we need to be able to sharpen tool steel cutters and that requires a grinder with a fine wheel. Also, micrometers and machinist precision measuring tools.

**Please Donate!**

## **February Meeting Summary**

**Shop Equipment:** The two bandsaws and the 3 in 1 Drill/Mill/Lathe are set up

Membership ideas were again discussed see the Club Community Events

Preparations for the float to be in the Lansing Good Neighbor Parade were planned

Inquire into a trailer display at local Cruse Nights (Lansing)

The shop bolt supplies were ordered. We will be going to a 'kitty' collection system after the bolts are marked with the price.

Ray plans to paint the classroom floor and we will be getting paint supplies.

### **Machine Tool Training**

Will be given after the next club meeting  
Please plan to attend, you will be signed off and can use the new tools safely.

### **UPCOMING EVENTS**

### **Club History Project**

Article by Larry Zimmerman Attention all Active and Past Members!

The Club is putting out a call for any photos or videos that we can include in the Club's History Project. We are also looking for any stories that you might have that would explain what we are seeing in the photos.

The Club has had a long history with many, many members. Throughout the years it has been the vehicle for many of us to explore our dreams of flight and our curious obsession with gyros and with other like-minded individuals. Some of you have had many adventures with gyros and we ask that you share them with us and our future members.

We are looking for photos and stories in digital form but if you have a box of old photos, we'd be happy to scan them in and return your photos to you. We are trying to capture the Club's history through the experience of its members and have yet to decide all the ways that we will present it. Certainly two ways will be on the Club's website and in an introductory video for new members.

Please share you stories and photos. You can send them digitally to [lawrence.zimmerman@gmail.com](mailto:lawrence.zimmerman@gmail.com) or as prints and paper to Larry Zimmerman, 205 Traver Avenue, Glen Ellyn, IL 60137. Got questions? Give Larry a call at [630-890-8950](tel:630-890-8950).
