### Next Meeting

**March 21<sup>st</sup>** at 1:00 PM at John 's house. Call for directions if needed, better yet send John an email at [rotorhed@hotmail.com](mailto:rotorhed@hotmail.com). Topics will include our first event for the season, Spring Fling 2010.

### Editorial

I wish to take this opportunity to thank Bob Day for volunteering to bring his untralight KB-3 gyroplane to Spring Fling and fly as the lone aircraft in the Chapter. Of all members he is the only person to answer the call for help with this event. We have hosted this fly-in for almost ten years. Though turnout is usually slim, an article entitled "Gyroplanes, The Red Headed Step Child of General Aviation will be featured in the May issue of the Atlantic Flyer. With luck we may get a larger turnout to make this event a success for the Chapter. Many thanks to you Bob. I hope this inspires other members to help with our Chapter's activities. Hats off to Bob.

### For Sale

Parsons two-place gyro for sale. Contact Rusty Blake: 207-663-4404. B8-

#### Bensen B8-M

This is a dismantled, frame, packed and ready for shipping. It includes the wheels and other items. It is a project, half the price of any pre-made airframe. The price is \$500 plus shipping. Interested parties should contact John Christopher. Phone number is 603-744-6232.

#### Barnett JB-4

We have a near complete two seat Barnett for sale. Normally for about 5k, this rolling frame needs an engine, rotors, and some instruments. Then up you go. Price reduced to \$1,000. This is pennies on the dollar for what it would cost.

#### Drop Keel Gyro

Four stroke, dragon wings, great flyer, contact Ray at 207-465-3203.

At left is Bob's KB-3 ultralight gyroplane. Like many of us I'm sure he first dreamed, took action, and is now flying.
